

Witch Stone Reading Order Form

Complete this form by entering following the instructions below to select and record your stones and questions. Send the completed form along with a cheque for £5 (GBP) written out to **Annie Wilson** to: **Annie's Garden, 10 Arns Grove Alloa, Scotland, FK10 2EE**. Alternatively you can send concealed cash (wrap it in part of a black bag for e.g.), though it is safer to send a cheque.

Instructions

- Cut out 8 small squares of paper, and number each one 1 – 8.
- Put them in a bag or envelope and give them a good shake.
- Put your hand in the bag and pull out a number, hold it in front of you then ask it a question which requires only a positive yes or negative no answer.
- Write down the number you have chosen, then the question beside it below.
- Do not put the number back in the bag/envelope.

I will answer the questions along with an explanation relating to it and the time of year – or sabbat- which is best for you to either go with the flow, or leave well alone.
